### Business Care Brings Nervous Wear

The petty cares of business life wear away nervous strength, and this ap-  
plies as much to the clerk at the desk as to the manager in his luxurious office.  
A thousand little details of duty requiring attention exhaust the nervous energy  
and cause one to fret over trifling things that would not receive a second  
thought under conditions of perfect health.

Nervous fretful persons of either sex are usually poorly nourished and in  
all such cases the surest and quickest permanent relief is to be had by the use of

### Stearns' Wine of Cod Liver Extract

which first quickens the appetite and aids the digestion and enriches the blood,  
thus providing the tired nerves with the nourishment they need. This condi-  
tion banishes the wakefulness that so many nervous people suffer from and per-  
mits them to enjoy sound restful sleep. Get Stearns' Wine of Cod Liver Ex-  
tract at your chemist's—and be sure you get STEARNS'—the genuine.

## YOUTHFUL THUGS ARE IN CUSTODY

"Monkey" Fragas a Candidate  
Again for Term on the  
Reef.

A pair of youthful Portuguese thugs  
are in custody at the police station  
charged with numerous offenses under  
the assault and battery statute, prin-  
cipally for beating inoffensive Chinese  
at night.

Eddie Fragas, more commonly known  
along the Punchbowl section as "Mon-  
key" Fragas because of his peculiar  
physiognomy, and Manuel de Mello,  
were brought to the station yesterday  
by detective Medeiros on a warrant  
charging them with assault and bat-  
tery on Simeon Kay last Monday night.  
The officers are searching for two other  
young Portuguese, the quartet compris-  
ing the leaders of a tough gang which  
has been terrorizing Chinese residents  
of Nuuanu and Paoua valleys.

According to Chief of Detectives Ka-  
lajicki the assault on Mr. Kay was  
absolutely unprovoked. The man was  
sitting on the stone wall on the Ewa  
side of Nuuanu avenue where the bridge  
crosses the stream above Paoua road.  
Fragas and de Mello were nearby mak-  
ing remarks about Kay. The latter's  
hat blew off and fell on the ground.  
As he stooped to pick it up the two  
thugs jumped on him and beat him  
badly, and then ran away.

A week ago Saturday night a Chi-  
nese working for a well-known Nuuanu  
avenue family was set upon by several  
young fellows and beaten. The Chi-  
nese visited the station yesterday and  
identified Fragas positively as one of  
his assailants. Two other Chinamen  
reported having been jumped upon by  
a crowd of boys.

A few nights ago a hack with two  
men and two women passengers was  
being driven up Paoua road. When op-  
posite the old Atkinson premises four  
or five young fellows, among them  
Fragas and de Mello, held up the hack,  
one holding the horse. The young  
bandits demanded that the men get out  
of the rig. The latter complied and  
invited the young fellows to fight.  
They were two to one and advanced  
in a threatening manner, but as this  
all occurred opposite a tenement house  
and people began coming out to see  
what was wrong the lads suddenly took  
to their heels.

"Monkey" Fragas achieved consid-  
erable notoriety last year by robbing  
W. O. Smith and Canon Mackintosh of  
a large number of pigeons. The birds  
were traced to Fragas' house on Punch-  
bowl and he and a companion were  
arrested and sent to prison for a year.

## CORPORATIONS MUST FILE THEIR EXHIBITS

Treasurer Campbell is about to give  
notice requiring all corporations except  
the exempted classes, which have not  
already done so, to file their annual ex-  
hibits for the year 1905, 1906 and 1907  
by December 30. Mandamus proceed-  
ings in accordance with the Supreme  
Court decision in Benson, Smith & Co.  
vs. the Territory, will be begun against  
all corporations who fail to file their  
exhibits.

### BEFORE WE CAN

use them, iron and gold must  
first be got out of the ore. The  
same principle applies to cod liver  
oil. Its virtues are not in its  
fatty matters; much less in its  
sickening taste and smell. No  
consumptive, or sufferer from any  
other wasting disease, was ever  
greatly benefited by the so-called  
"plain" cod liver oil. The shock  
it gives to the nerves, the repul-  
sion and disgust it excites in the  
stomach, the outrages it commits  
upon the senses of smell and  
taste, are enough to spoil any  
medicinal potency that may be  
in it for the majority of people.  
This—to say nothing about its  
being indigestible. Yet there  
has always been reason to believe  
that, among the elements which  
form cod liver oil, there ex-  
isted curative properties of the  
highest value. But it was neces-  
sary to separate them from the  
nauseating waste material with  
which they were combined. This  
was successfully accomplished in  
WAMPOLE'S PREPARATION  
and in this effective remedy,  
made palatable as honey, we have  
the very heart and soul of pure  
Cod Liver Oil, combined with the  
Compound Syrup of Hypophos-  
phites, Extracts of Malt and Wild  
Cherry. These constitute a tissue  
builder, a blood purifier, a health  
renewer beyond comparison. Dis-  
ease yields to it with a complete-  
ness and rapidity which aston-  
ishes medical men quite as much  
as it delights their patients. In  
all wasting conditions, Scrofula  
and Blood Disorders, La Grippe,  
Influenza, etc., it never fails  
to relieve and cure. Dr. E. J.  
Boyes says: "I have found it a  
preparation of great merit. In  
a recent case a patient gained  
nearly twenty pounds in two  
months' treatment, in which it  
was the principal remedial agent.  
It cannot fail or disappoint you.  
Sold by all chemists everywhere.

## SUDDEN DEATH OF MRS. J. O. CARTER

Her Life Was a Link With  
the Early Days of  
Honolulu.

Mrs. Joseph O. Carter died suddenly  
yesterday afternoon at 1:30 o'clock at  
the family residence, Nuuanu avenue,  
or heart disease. She had been ailing  
for several months, and though her  
death at almost any time was not al-  
together unexpected, it came finally  
quite suddenly.

Mrs. Carter was formerly Mary Eliza-  
beth Ladd. Her father was William  
Ladd, whose enterprise as a merchant  
in early Honolulu days has given him  
a permanent place in the history of  
these Islands. As early as 1835 Ladd  
& Co. secured land at Koloa, Kauai,  
and established what is now Koloa  
plantation.

Mrs. Carter was born in Honolulu,  
and this was her home throughout her  
whole life. She was born June 8,  
1840, and was married to Joseph O.  
Carter November 28, 1859. With her  
husband she has been prominent in  
the community throughout the years  
since then. She was a member of  
Central Union church and was a de-  
voted wife and mother.

Besides her husband, six children  
survive her—Charlotte A., Mary N.  
and Rachael A. Carter, Sarah C. Bab-  
bitt, wife of W. H. Babbitt; J. O.  
Carter, Jr., and Cushman Carter. Mrs.  
Carter had long survived her own  
brother and sisters.

The funeral services will be held  
from the residence this afternoon at  
3 o'clock. The funeral will not be  
private, as has been stated. Rev. H.  
H. Parker will officiate, assisted by  
Rev. Henry Judd. The interment will  
be in the Carter plot in Nuuanu cem-  
etery. The pall-bearers selected had  
not all been communicated with last  
evening, so that the list is not given.

Mrs. Carter was for many years, be-  
fore, during and after her reign, one  
of the most intimate friends of  
Queen Liliuokalani.

### MEDAL PLAY AT COUNTRY CLUB.

The last golfing event of the year  
on the Country Club links will be held

10:30 on Sunday morning and two  
prizes are up. One for the best gross  
score and one for the best net ditto.
